DCI SECURITY COMMITTEE
MONTHLY ACTIVITIES REPORT

JUNE 1979

25X1

2. A proposed annex to DCID 1/14 to establish Community guidelines for the development of appeals procedures for persons denied access to Sensitive Compartmented Information (SCI) was prepared for NFIB coordination. [REDACTED]

25X1

3. The first meeting was held of a Committee working group tasked to review and develop necessary revisions to the Community's physical security standards for compartmented information facilities, issued by the USIB in the spring of 1973. [REDACTED]

25X1

4. The Committee sponsored a briefing open to concerned Community personnel on the impact of the Freedom of Information Act (FOIA) on the security of sensitive information. Informative presentations were made by CIA, FBI and Army officials involved in staffing FOIA matters or in setting policy therefor. [REDACTED]

25X1

5. A Committee staff member attended Congressional hearings on Community agency access to and use of criminal history data for personnel security purposes. The hearings were held by the Oversight Subcommittee of the House Permanent Select Committee on Intelligence. [REDACTED]

25X1 6. The Committee's Investigative Standards Working Group worked with data processing personnel to develop procedures for compiling and displaying the results of a recently completed Community-wide survey of the quality and quantity of personnel security information obtained from various sources. []

7. The Committee's Working Group on Security Awareness reached tentative agreement on a proposed security orientation briefing tailored for very senior officials. [] 25X1

25X1 8. With the DCI's approval, the Committee Chairman established a new standing subcommittee on unauthorized disclosures investigations, chaired by an NSA official. This action is designed to enhance the Committee's ability to deal with such disclosures, and to provide the Community with a focal point for such matters capable of quick reaction and follow-through.
